

Chevy's Best Wins the Eagle One "Golden Rule" Award for 2011

By Clay Hagen

The Golden Rule Award honors car clubs for outstanding achievements in community service. For the past 18 years this award has been presented by the Eagle One Company, which markets a complete line of premium automotive appearance care and detailing products. Car clubs are invited to submit an entry form describing their charitable activities for the past year. From all the entries received nationwide, four clubs are selected to receive the "Golden Rule" Award, which consists of a customized award plaque, a check for \$500 to give to their favorite charity, and a generous supply of Eagle One appearance products and Valvoline Motor Oil for the club to use for door prizes, etc. at their car show events.

Chevy's Best decided to enter the contest and submitted an entry detailing our ongoing support in soliciting donations for the CROSS Food Shelf and also our participation in organizing a "Fire Fighter Benefit Car Show" last September to aid in fundraising for two Brooklyn Park firefighters who had been stricken with cancer. A presentation folder documenting these activities and photos from the show was attached to the entry form and off it went! We thought, "It's worth a try" and "Ya never know...!"

Well, much to our delight, we received a call on February 4th from Eagle One's PR firm announcing that we had been selected as one of the Golden Rule Award winners! Talk about excitement! Our February club meeting was the very next night, so we were able to share the good news with all of our club members. What perfect timing and everyone was thrilled to hear the news!

Needless to say, we are very grateful for the award and will use it as an inspiration to continue to seek other community service opportunities in the future. A big "Thank You" to all our wonderful club members for their support throughout the year!
